(i) By this certification, NOW certifies that it is not affiliated with any non-dominant foreign carriers.

(j) NOW is not affiliated with any foreign carriers pursuant to 47 C.F.R. § 63.18(j).

(k) NOW is not affiliated with any foreign carriers under the Commission's Rules.

(l) NOW is not affiliated with any foreign carriers under the Commission's Rules.

(m) NOW seeks to be classified as non-dominant on all routes, as it is not affiliated with any foreign carriers under the Commission's Rules.

(n) NOW certifies that it has not agreed to accept special concessions (as defined in Section 63.14(b) of the Commission's Rules) directly or indirectly, from any foreign carrier with respect to any U.S. international route where the foreign carrier possesses market power on the foreign end of the route and will not enter into such agreements in the future.

(o) Pursuant to Sections 1.2001 through 1.2003 of the Commission's Rules, this certifies that no party to this application is subject to a denial of Federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.

(p) The applicant qualifies for streamlined treatment of this application pursuant to Section 63.12 in that there are no affiliations with dominant foreign carriers.

CONCLUSION

The Commission has recognized that increased competition in international markets is beneficial and that those markets will support additional carriers. Additional market entry will promote lower prices, innovative services, increased customer choice, and efficient utilization of telecommunications resources. NOW expects to support these goals through the provision of high-quality, competitive international communications services. A grant of NOW's application, therefore, will serve the public interest, convenience and necessity.

Respectfully submitted,

NOW LICENSES, LLC.
